MINISTRY OF HUMAN RESOURCE DEVELOPMENT

under the scheme

Pandit Madan Mohan Malaviya

National Mission on Teachers and Teaching (PMMMNTT)

ABOUT PMMMNMTT AND MHRFDC

The Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching emphasizes the need to change the role and task of a teacher from mere disseminator of information and knowledge to the one who advances frontiers of existing knowledge by actively developing and creating new insights into diverse social and physical phenomena. Mahatma Hansraj Faculty Development Centre has been established under this scheme at Hansraj College with an objective to serve as one of the nodal points to conduct such programs and workshops. These programs provide opportunities to every academician/ teacher to upgrade their domain of knowledge, become aware about latest developments taking place in their subject and allied areas and acquire new skills in development of educational content and delivery. These programs help in capacity building of teachers and promote institutional effectiveness in delivering and developing educational programs and curricula. The focus of some of these Faculty Development Programs is also to provide support for research work and promote research in emerging issues in different fields of knowledge.

ABOUT THE COLLEGE

Committed to the cause of women's education in the state of Jharkhand, Jamshedpur Women's College has come a long and luminous way, since its inception in 1953, Jamshedpur Women's College a prestigious college for women, conferred with the status of a center with potential for excellence (CPE) by the University Grants Commission and awarded grade "A" By NACC. Presently Jamshedpur Women's College is a Constituent autonomous college of Kolhan University and is to be conferred a University Status under RUSA. Located in an area of a sprawling 6 acres (approx.) of land, the College comprises five blocks of buildings housing the faculties of education, Science, Arts and Commerce, an indoor stadium, library, a couple of hostels besides the playground and accommodation facilities for the staff. The aims and objective that the college has set for itself and has been pursuing relentlessly are basically education, all round development of the students and enhancement of employment potential with special attention to the SC ST students. To help the students imbibe cultural values and encourage creative innovativeness, the college encourages students participation in sports and cultural activities in which the students have bought laurels at different National and international events. The College has launched several self-financed vocational, professional and add-on-courses, relevant to the regional and national needs to ensure that students get fully versed in the latest trends, technologies and techniques and to galvanize its motto of women's Empowerment.

ABOUT THE FDP

With the aim of enriching and updating the capacities of faculties, cutting across all disciplines and to probe into the vitalities / nuances of Emerging Trends in Teaching – Learning and Research in present day academics, Jamshedpur Women's College, Jamshedpur, Jharkhand is organising a Two Week Faculty Development Programme on 'Emerging Trends in Teaching – Learning and Research: A Trans – disciplinary Approach' in collaboration with Mahatma Hansraj Faculty Development Centre, Hansraj College, New Delhi from February 4 – 17, 2020 in Jamshedpur.

The objective of this programme is to contemporize and advance academic dimensions of the faculty in emerging academic innovations, reforms in Teaching – learning and Research in modern times. This programme intends to stimulate trans – disciplinary approach to globally pertinent topics of research. Hence it is in alignment with the idea of the Centre to create professional, personal and academic prosperity of the participants who interact and listen to myriad possibilities of approaches to a topic with the help of eminent experts. This programme aims to motivate and cater to intellectual hunger of participants coming from various streams of academic interests and initiate a trans-disciplinary approach.
