

## **Best Practice**

### **Two best practices successfully implemented by the institution**

#### **Best Practices – I**

##### **Goal, Aims and Objectives:**

- To improve footfall of students in the library
- To restore connected ness to books and books reading habits among students
- To earn while learn scheme for students

The library hours are being introduced in the routine and are being made part of regular curricula. The departmental libraries are being maintained by the respective departments and are also rich. It is catering to the needs of the PG students and teachers of respective departments. An initiative has been taken for student's participatory management of Library. This will mitigate human resource crunch for the management of the library books. Under this scheme a few students of each department have been encouraged to manage and maintain the departmental library and for that they will be paid a token amount – “Earn while learn scheme”, and finally will be awarded a certificate and marks in internal examinations.

#### **Best Practices – II**

**Title of the Practice:** Introduction of Virtual and Flipped Classrooms

##### **Objectives of the Practice:**

- To address fast learners
- To reach out of reach students
- To introduce students with the paradigm shift in higher education

There has been a paradigm shift in higher education system from teacher centric to student centric teaching. To address first learners and to support slow learners of a class flipped classroom has been introduced in a few programmes such as Biotechnology, Environmental Science and BCA virtual classroom and Swayam Prabha too has been introduced in the classes. College is using the tools of ICT to reach out of reach students in this method. This will make the digital India programme successful.
