

Institutional strategies for mobilization of funds and the optimal utilization of resources

The Principal of the institution monitors the use of resources received from the State Government, UGC, RUSA, ICPR, ICSSR, etc. The allocated funds are utilized to purchase equipments, chemicals, renovation, research, organize seminars, workshops, conferences, etc.

Administration and Finance Committee, review the use of resources including audit, budget and account. They make recommendation for better handling of resources and effective mobilization of available funds. For smooth running of the institution various committees have been constituted, each committee studies its own field and analyses the requirements and then forwards it to Principal.

Finance committee then looks into these requirements, adding the future aspects of planning. In case of any need where the financial support is required, proper demand in writing is made from the concerned Department. For e.g. in case of any requirement, the details of the requirement of the equipments, maintenance infrastructures etc are prepared and proper procedure for purchase is adopted.

To make teaching-learning effective it is very important that the environment and campus of the institution should be clean. The college staff and students are always ready for it. There is always need for maintaining and upgrading the facilities provided by the college from time to time.
