Important points:

- The offer is valid subjected to the successful completion of the ongoing course.
- The location of posting and the allocation of department depends on the organizational requirements at the time of the joining of the students and they will be informed about the same before their joining.
- All the selected students, are required to register on the link that was shared with yesterday.
- Offer letter will be auto generated post the completion of the pre-joining documents on the candidate portal.
- PAN card and Adhar card are the mandatory documents. All the relevant documents should have the same name (spelling) and DOB.
- In case any of these students are working somewhere at present, they need to resign over there before joining us and share the copy of relieving letter.
